## **PARKING:**

Parking may be available around the large fountain in the Employment Services parking lot. If there are no spots available, please drive into our garage, make your first left, and then exit the garage. Follow the drive up and around to your right. There is additional visitor parking in the cul-de-sac.

\*The entrance to the Employment Services lobby is at the front entrance, near the fountain. If you are standing in front of the fountain, looking at the building, the entrance is to your left/northwest corner. Please **DO NOT** enter through the larger, more obvious entrance...our door is sort of tucked behind the bushes!

There is no fee to park at GEICO.
