**GEICO**<sup>®</sup>

## From your campus to one of ours

## Apply today!

Summer internships are offered at select locations and application deadlines may vary. For detailed descriptions and to apply, go to [geico.jobs/internships](http://geico.jobs/internships).

When you're ready to apply, you'll be asked to create a profile, fill out an online application, select your preferred location and upload a resume. Candidates will also submit an unofficial transcript and a writing sample.

If you've got what we're looking for, we will contact you to schedule an initial interview.

Questions? Go to [geico.jobs](http://geico.jobs) to e-mail us.

**GEICO is an equal opportunity employer.**

*Please be prepared for multiple steps in our extensive hiring process. GEICO conducts drug screens, credit and background checks, and may conduct physicals of applicants who've accepted employment or internship offers.*

# Fresh perspectives. Innovative ideas. Creative solutions.

During the 8-10 week paid summer internship, you'll gain first-hand knowledge of our dynamic industry. You'll experience our major insurance operations or a department in our corporate office, have opportunities to network with executives and work with a mentor.

Our interns work on “real world” assignments, take part in group and individual projects, and deliver presentations to our management team. Depending on your location, a typical day may include:

- Researching insurance industry trends
- Analyzing current business procedures
- Proposing growth and retention strategies
- Conducting competitive analyses

- Attending department and team meetings
- Contributing to our day-to-day operations

At the end of the internship, not only will you have an understanding of what it takes to be successful in a multi-billion dollar company, but you'll also develop leadership abilities, presentation and interpersonal skills, and business acumen.

*For detailed descriptions, go to [geico.jobs/internships](http://geico.jobs/internships).*

**Did you know?**

Many interns are considered for future, full-time career opportunities in product management, underwriting, information technology, actuary, sales, customer service, claims or in one of our leadership development programs.
