

Information Technology

Driving your
career
Insuring your
future

GEICO[®]

We've got good news!

GEICO is strong, stable and
hiring IT talent

Most of our information technology associates work in our corporate headquarters located in Chevy Chase, Maryland, a bustling Washington, D.C. suburb.

From time to time, there may be technical positions available in Macon, Ga. or Fredericksburg, Va.

It's easy to apply

Go to geico.jobs
to search current openings

When you're ready to apply, you'll be asked to create a profile, fill out an online application and upload your resume.

We'll review your information in a timely manner. If you've got what we're looking for, a member of our IT recruiting team will contact you directly to schedule an initial interview.

See what it's like working at GEICO. View our career videos at geico.jobs/watchvideos.

GEICO is an equal opportunity employer.

Please be prepared for multiple steps in our extensive hiring process. GEICO conducts drug screens, credit and background checks, and may conduct physicals of applicants who've accepted employment offers.
